

SCHOOL FORMS

All new students must have the following forms/items on file in the school office prior to the start of school, or for fall athletes - before practices begin in August:

- Physical (MHSAA Physical Form)
- Student Contact/Emergency Information
- Concussion Awareness
- Up to date Immunization Records*
- Birth Certificate **
- LHSA Insurance Information Acknowledgement (not yet available)

Physical (MHSAA Physical) for 2018-2019 (must be done after April 15, 2018 and before school or practices begin).

-All Incoming Freshmen, Transfer Students, Athletes, and any students who will have a gym class or want to participate in powder puff or other class competitions will need a physical on file.

**Immunization records*

The school office will let you know if your records are not up to date on the Michigan Health Department database.

***Birth Certificate*

The school office will let you know if we do not have a birth certificate on file. They usually are included in your student's grade school records.

Medication Form

If your child requires medication (prescription or OTC) during the school day, a signed medication form must be on file, along with the necessary medication. (Including inhalers and epi-pens)

SCHOOL DIRECTORY

Our school directory is printed in the fall. We usually include the following information, taken from your Student Contact/ Emergency Information form:

- Student's Name and Grade
- Home phone: (primary/preferred phone)
- Home address
- Parents' names
- Parents' cell phone numbers
- Parents' e-mail addresses
- Home church

If you would prefer not to have some or all of your information included, please call or e-mail Mrs. Riske in the school office. 248-852-6677, triske@lhsa.com
