Sports in the D Interim

April 2-5, 2024 - Daily Experiences (Tentative)

Day 1 – Gripz Gym

We will take 20 minutes for a walk through and presentation along with time for questions and answers. Then we will do activities that would include some examples of floor training along with courses and skills designed so we can have an immersive experience.

Day 2 – Ford Field

We will have a private tour of Ford Field, home of the Detroit Lions! We will see the inner parts of this amazing arena and what it takes to make everything happen at Ford Field. We are scheduled to go onto the field, see the “off-limit” areas of Ford Field, and learn about the variety of careers available for you to pursue. For lunch we will plan to walk to HockeyTown Café where we will get to see a lot of Detroit sports memorabilia as we eat.

Day 3– Little Caesars Arena

We will have a private tour of Little Caesars Arena, home of the Detroit Pistons and Detroit Red Wings! Our tour will provide a unique experience to explore VIP areas of Detroit’s state-of-the-art arena. You will get to see what makes this arena so special as it is one of newer arenas in the country. We will also have a staff person speak to us about the different professionals that are employed at Little Caesars Arena. We will be going out for lunch.

Day 4 – Comerica Park

We may have the chance to go to Opening Day!! Or we get a tour of the park and meet with the professionals that run the events that happen at Comerica Park. We will get to find out how sports lovers can find a career in the sports industry (besides being the athletes on the field).
